

HDT80

product guide

features

- 13,228 lb. maximum load capacity
- 147'-8" maximum operating hook radius
- 176'-2" maximum hook height with jib set at 30 degrees
- 112'-2" maximum hook height with jib set at 0 degrees
- 10 different jib configurations
- 3 different mast heights
- Trolley speeds up to 190 ft/min with 7,937 lbs and 144 ft/min with 13,228 lbs
- Swing speeds up to 0.8 rpm
- Manitowoc CraneCARE comprehensive support

*with optional equipment

Trolley	5 DVF 5	ft/min	30 - 73 - 191 (6,614 lbs)				30 - 73 - 145 (13,228 lbs)				6.5	4.8
Swing	RVF2-61	rpm	0.8								8.0	5.9

Power Requirements: 480 V (+6% or -10%) 60 Hz measured at turn table.

Amperage: 20 LVF 15: 43 Amp (3 phase service with ground)

Amperage: 25 PC 15: 51 Amp (3 phase service with ground)

F = Maximum Corner Force

In-Service	88,185 lbs.
Out of Service	94,799 lbs.
Without load, ballast (or transport axles), with jib and maximum height	51,600 lbs.

Warning Systems

Limit Moment Cut-Out – Prevents a moment that is more than +10%.

Warning

1. The operator must read and understand the owner's manual before operating this crane.
2. Positioning or operation of crane beyond areas shown is not intended or approved except where specified in owner's manual.
3. Practical working loads depend on supporting surface, wind, and other factors affecting stability such as hazardous surroundings, experience of personnel, and proper handling, all of which must be taken into account by the operator.

HDT80

CraneCARE is Manitowoc's complete service and support program. Incorporated into this program are service training, immediate parts availability, professional field service, and technical support and documentation. CraneCARE is available for every one of the thousands of cranes operating all over the world.

That's dedication and devotion that you won't get anywhere else.

That's **CraneCARE**.

Service Training

A certified Manitowoc service specialist works with you in your training facility or in the field to ensure that you know how to achieve maximum performance, dependability, and years from your cranes.

A reputable Manitowoc Service technician comes to you to provide valuable training to all distributors on the crane's LMI system.

Parts Availability

Genuine Manitowoc replacement parts may be obtained through your MCG distributor on a regular basis.

Field Service

Factory-trained service experts are always ready to help maintain your crane's peak performance.

For a worldwide listing of dealer locations, please consult our website at:
www.manitowoccrane.com.

Technical Support

Manitowoc's dealer network and factory personnel are available 24 hours a day, 7 days a week, 365 days a year to answer your technical questions and more.

For a worldwide listing of dealer locations, please consult our website at: www.manitowoccranes.com.

Technical Documentation

Manitowoc boasts an extensive, easy-to-understand library of documentation.

A complete set of Operator's parts and service manuals are included with each crane.

Additional copies are available through your Authorized Manitowoc Distributor.
